## PRO POOL SERIES

ITEM # F - P P P 2

U.S. Patent No. D507,769S

### ABOUT

No mounts, no mess, no problem. The Portable Pro 2 offers an affordable and compact solution for pool access without having to anchor into your deck. In a single out-and-down motion, you'll find yourself enjoying a day at the pool in seconds with our easy-to-use design that allows users to control their descent with a two-button submersible remote control.

Designed for in-ground pools where the deck is flush with the top of the pool, this lift is easily rolled away from the pool edge when not in use. Along with a rechargeable battery, adjustable foot rest and flip up arm rests, you can choose from a number of add-ons to customize this lift to your specific needs. Looking to customize even more? Call our amazing Customer Service team today to ask about more color options!
