AL301XL / AL301XL HD Extra Large Fusion Lifts

Industry's Only Extra Large Fusion Lifts

The AL301XL's larger deck handles wider or longer scooters and power chairs. It's the ideal choice to gain 8.5" extra width or meet the need for lengths longer than 46." Available in 350 lbs. or heavy-duty 400 lbs. capacity models.

Features & Benefits

- Easy, one-switch operation
- Self-tensioning Q'Straint retractors and front and rear wheel cradles; no chair modifications required
- 36" x 39" aluminum deck; adjustable cradle extends up to 53"
- Manual crank backup and license plate mount included
- Swing-Away option available
